Term of Responsibility and Transference of Author Rights

The undersigned authors of the article entitled "INSERT TITLE" declare to have read and approved all the manuscript. The authors agree to submit it to the Journal of Candido Tostes Dairy Institute for evaluation and possible publication as true, authentic, and original results. This statement implies that the manuscript, regardless of language, was not submitted to other journals with the same purpose. The authors acknowledge that they will be required to provide retractions or corrections of errors related to the article, if necessary. The authors are aware of the guidelines and editorial policy of the Journal and assign copyright to the Journal of Candido Tostes Dairy Institute with the exclusive right to print, publish and sell the product worldwide, in all languages and media. Therefore, it is forbidden to authors reproduce wholly or partially the submitted manuscript in any other part or media, print or electronic. Thus, the authors declare an acceptance to transfer the rights of graphic reproduction to the Journal of Candido Tostes Dairy Institute in the case that the article with the above title will be published in the Journal of Candido Tostes Dairy Institute. In addition, the authors agree to appoint **_Jacobus Myburgh_** as the corresponding author. Also, the authors declare that there is no conflict of interest related to this study.

Date; Author's name without abbreviation; Title/position of each author; email.
